

418 But to study this thing rightly we find these spirits appears to the
 first man of each one
 (clan) or hememat and tells him what to do, what kind of
 dance he will use, that is after the myth people part, now according
 to the myth people they were birds and animals yet they can talk
 to each other and understand each other, these are called the myth
 people or naxnemes, and what ever kind of bird or man belongs to
 his dance will be as he was before he was turned into a man, and the
 animals the same, look at ai'lonox her sons disappeared to be a
 wolf dancer, and that is the beginning of what is done by the
 myth people, now I will give some of the dances of the myth people

- #1 ai'lonox wolf dancer #2 L'esel'igetä minute name is li'x'
 #3 gixostala deer nulemälä dancer #4 HE'wä'el'el'el' dancer the land
 other #5 nänäläl grizzly bear dancer #6 Heimäläl eagle
 dancer #7 Dzrenig'wä'äl wild women of the wood dancer
 now next comes the birds

- #1 kwä'kwä'ixäläl thunder bird dancer #2 gä'gä'äläläläl second
 size thunder bird dancer #3 g'wä'ig'wä'ix'wä'äläl Raven dancer
 is k'wä'k'wä'ix'ä'wä' #4 Hux'kukwä'äläl large Hux'kuk the crane
 dancer #5 kwä'kwä'äläl eagle dancer.

now all these twelve different dances belong to the
 myth or naxnemes while they were myth people, and they
 got child born to them and after they get full grown men
 then what tale they tell to each other they call it naxnem
 or stories, these are called DE'g'wä'be'wä'sä naxnemes or
 born men from the myth people, and another thing we don't
 see the name HEmsHEmsies and tax'wet or nänäg'wä'äläl
